Professional Experience

Grosvenor Management Consulting

Consultant

April 2017 – *Current*

I am employed at Grosvenor to complete a specific project for the European Commission relating to public procurement. This has involved: identifying data sources; preparing for and supporting data acquisition; conducting data quality confirmation; helping with survey design and validation; and some managerial responsibilities.

Petit Poll

Co-founder

May 2016 – *Current*

As a co-founder of Petit Poll I am responsible for survey design and analysis, as well as marketing and communication. Petit Poll combines non-representative polling data with a hierarchical Bayesian model to produce meaningful Australian political polling.

The Centre for International Economics

Economist

January 2012 – August 2013; August 2015 – November 2015

The CIE is a privately-owned economic consultancy. I contributed to reports for public- and private-sector clients as part of a small team. Topics included: valuing public sector outputs; housing sector taxation; wheat price elasticities; variations to modern awards; migration; and labour markets.

GoCampaign

Director

July 2011 – May 2015

As a co-founder and director of GoCampaign (later GoCatalyze), a data analysis tool, I was responsible for the creation and development of a business as part of a small team. GoCatalyze completed the ANZ Innovyz START accelerator program in 2013 and won the iAward Data Category in 2014. GoCatalyze is now part of GO1.

Reserve Bank of Australia

Cadet/Analyst/Senior Analyst

February 2009 – December 2011

I researched topics related to banknotes, for example an econometric analysis of banknote demand during the 2007/08 financial crisis. I was also responsible for creating and analysing counterfeit banknote datasets, and gave banknote-related presentations to the public.
