## Experience of tutoring

*Please explain the reason for your rating in question 1*

- Mostly the same concepts
- Not quite- struggled to do many tute questions.
- Rohan really made sure there were connections between the lecture content and the tute
- Rohan was able to draw theories and content learned in lectures and explain them clearly to the class. As well as being able to apply them in a way that made sense.
- Somewhat ambiguous due to extensive amount of lecture slides. Examples drawn by hand in lectures were useful in tutorials. Not tutor's fault.
- The lectures are very complicated and the material is only properly explained in tutorials. Damien talks to us as if we were PhD students
- They communicated about the exercise material, correcting any issues.
- Tutorials applied the theory that the lecture taught.

*Please explain the reason for your rating in question 2*

- At times he explained it more effectively than the lecturer.
- Clarity was very well achieved, with both mathematical and non-mathematical theoretical examples explored well by Rohan.
- Easily explained and resolved questions in a manner that made it easy to understand.
- He was very good at this, made it seem simple
- Often provide reasons and background for the topic at hand.
- Rohan's tutorials are very clear, her can explain the material simplistically and makes sure we understand complicated concepts
- The Pistachio example was very hand among others. Rohan simplified the lecture material very well and was always open to questions.

*Please explain the reason for your rating in question 3*

- Essentially indicating the importance of understanding the course material
- Made it very clear what we could expect from our tutorials, lectures, and assessment.
- Provided a lot of exam tips and clarified certain topic areas where there was most confusion.
- Some times he would tell us to wait for Damien's answers instead of teaching us.
- To the best of his knowledge he helped us prepare for assessment well.
- Very clear about how to answer yourself for future areas

*Please explain the reason for your rating in question 4*

- He knew his S curves from his D curves alright alright alright.
- He was across all the subjects and could answer questions well
- Knowledge was sound and well practiced in both this course and graduate expectations.
- Tutor was better than lecturer at explaining things

- Very clear from how Rohan manipulated the numbers and carefully explained the content that he was very knowledgeable in this course.
- Very organised and aware of the topic to help students, even if the answer was not clear he would always follow it up in the tutorial or online forums.

*Please explain the reason for your rating in question 5*

- Always punctual and well prepared.
- Provided extra examples and notes when he felt them necessary
- Questions were always answered with ease. Provided great clarification when questions were asks which deviated from the actual tutorial questions.
- Some times he would tell us to wait for Damien's answers instead of teaching us. Rushed through some answers which lead to me not understanding properly.
- Very organised, even going beyond teaching hours to provide students with learning material.
- Very well prepared and always had extra resources
- Very well prepared to aid our learning.
- even prepared jokes!!

*Please explain the reason for your rating in question 6*

- Ask how everyone is feeling about the topic, and answered questions
- Paid alot of attention to the learning of his students at the individual level
- Tried hard to make sure every aspect of course was covered well and we would do well for exams
- Wanted us to succeed and to learn.

*Please explain the reason for your rating in question 7*

- Damien needs to learn that the document camera in lectures is so the students can see what he writes and explains and also so the hand written material makes it onto the lecture recordings. Every lecture the document camera is used a student needs to remind Damien to adjust his paper so it is seen be the camera
- Good job Rohan. You were nice and I liked you personally. Sometimes you were a bit lazy and that made the course harder for me.
- One of the best experiences with a tutor at my 2.5 year time at university.
- One of the best tutors I have had in my degree so far! He explained things really clearly and was genuinely interested in how we were going and getting to know us. He had a fantastic knowledge of the content and went above and beyond to help students out.
- Overall, Rohan is a super good tutor! Hope he all the best in his PHD study!
- Rohan is one of the best tutors I have had during my degree
- Rohan was an excellent tutor
- Rohan was one of the best parts of this course, helped me understand and make the link between lectures and tutorials that were often unclear and no fault of his. Thank you for a great semester and I wish you all the best your future endeavors.
- Very effective tutor. Casual and effective. Definitely helped me enjoy the course more and apply my learning.
